Come one, Come all!

Carnivals, Circus, Marionettes and Fairs Summer 2023 (June 26th– August 17th)

Stars and Stripes Forever

June 26th– July 3rd

Week One: we will celebrate USA with a parade and hotdog picnic.

Carnivals

July 5th-14th

Children will be learning about Carnivals. They will learn about how and where this started, the traditions and how this it celebrated around the world. Arts, crafts and songs will be incorporated with this theme. This theme will end with a mock carnival parade around our playground with masks and colored costumes, singing and dancing.

Marionettes and Puppetry

July 31st-August 4th

Puppetry is an ancient form of performance still seen up to this modern times. It is a performance that is used as medium to send out messages, tell stories or just as an entertainment for he audiences .The children will learn its origin, the different styles of marionettes, control bars used etc. The children will try to make their own puppets and watch a puppet show from a professional marionettist.

Circus

July 17th-July 28th

Our Children will be learning about the Circus. They will learn about its history, the different shows, structures where shows are performed and lots more. There will be art works, and a field trip to the Wild Animal Park for the Preschoolers to see similar animals which perform acts in a typical Circus affair.

Fairs

August 7th– August 17th

Children will learn about County Fairs which is an American tradition for centuries. They will learn its origin, purpose and traditions from all different places. A similar experience will be given to the children when our MSO2 families will gather together at the end of summer to celebrate a mini-county fair with potluck food, music , trading, games and lots of fun .
